AFGHAN AMERICAN MUSLIM OUTREACH

Website Sponsorship Package

The mission statement of the Afghan American Muslim Outreach (AAMO) is to commit in serving the Afghan communities through activism and advocacy initiatives that are committed to fostering an Afghan American Muslim identity and good will and mutual respect amongst all. AAMO is committed to promote Afghan culture and history within the framework of Islamic values and provide opportunities for the youth to learn and practice the Afghan main languages. AAMO is dedicated to the development and support of programs that effectively communicate Islamic education and disseminate the knowledge of Islam for all Afghans. Lastly, AAMO aims to provide the forum to educate the Muslims to understand Islam as a faith, as a religion and as a way of life, and by striving to create an awareness of the Islamic point of view on issues of contemporary relevance.

In order to be successful in the above mission, AAMO needs your financial assistance. With the support of Muslim organizations and businesses, we can manage to fund and implement our many projects which include financial support of two satellite television programs: *Sadaye Haq (Simin Omar)* and *Dariche Farda (Marwa Latif)* and hold educational conferences.
